Kojak'sSM House of Ribs has been family-owned and operated by the Forney family since 1978. The restaurant features a charming atmosphere in a converted southern bungalow-style home, that sits beneath the shade of several great live oak trees. "Kojak's", a South Tampa Institution, is well-known around town and offers indoor seating as well as outdoor seating, on the relaxing, fan-cooled verandah. It has a basic BBQ menu that boasts the best Ribs from here to West Texas.

The name "Kojak'sSM" comes from Bill (JW) Forney, who was Chief of Detectives in Midwest City, Oklahoma. A Super Sleuth! When he left the police force in the early 70's, he went into the BBQ business, "House of Ribs" opened across from Tinker A.F.B. The nickname stuck! Bill's brother, Bud Forney, opened "Kojak's House of Ribs" in 1978 and used Bill's special recipe for the spare ribs.

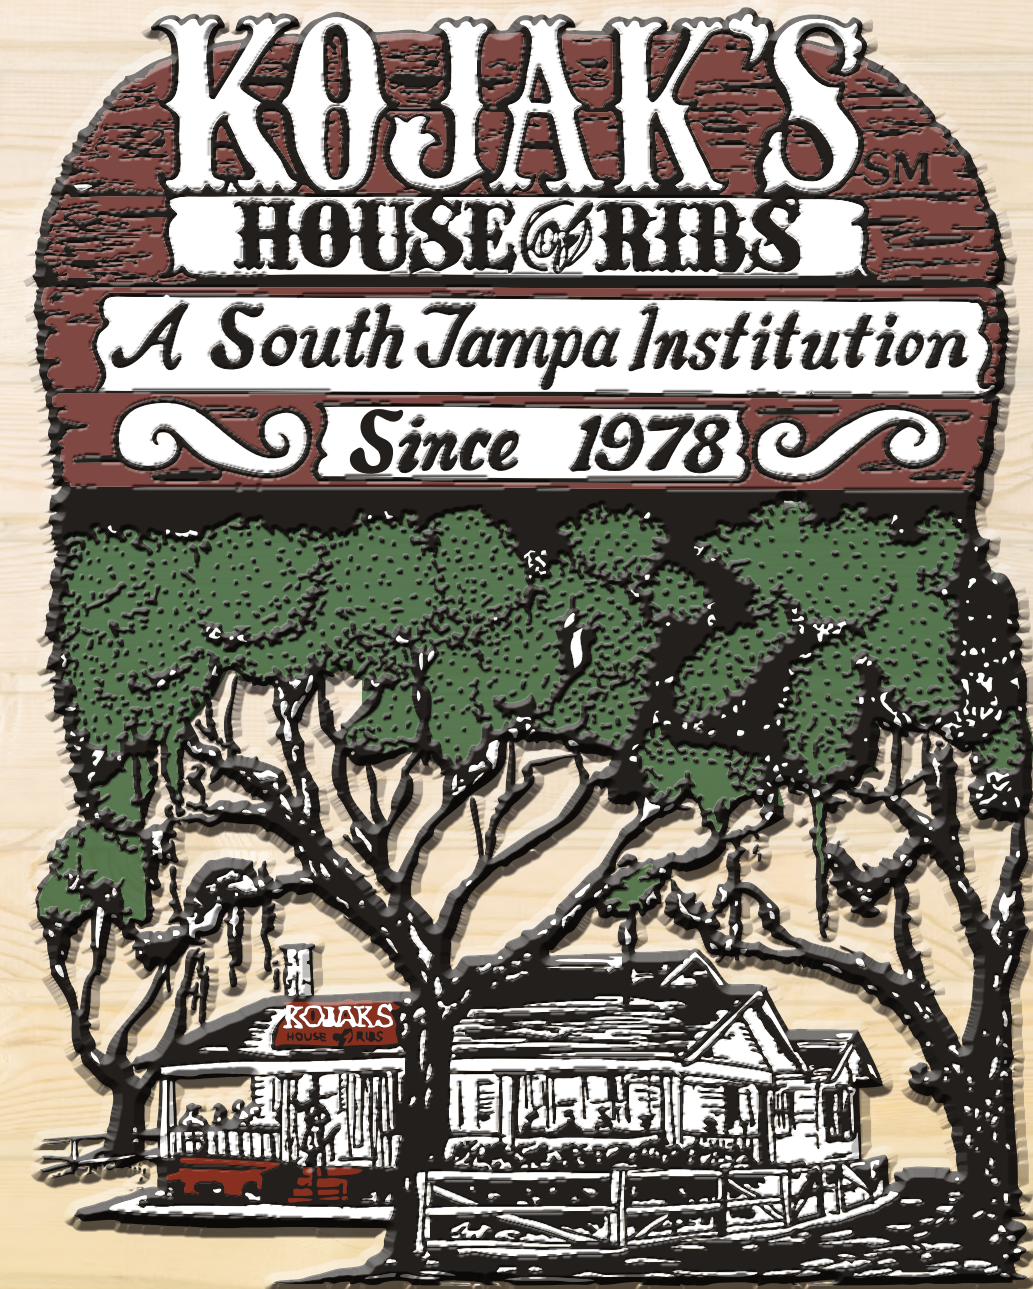

Everything is **HOMEMADE** - from the tangy Cole Slaw to Mama's World Famous Chocolate and Fresh Apple Cake. The BBQ Beef and Pork are very lean, tender and juicy, BBQ'd in Kojak's zesty BBQ sauce. While both BBQ Beef and Pork are very popular and delicious, the new Pulled Pork (slow-smoked for 8-10 hours in our custom-built smoker and served with our sweet BBQ sauce), is sure to be legendary in its own right. Pair with a pitcher or glass of the infamous Homemade Sangria, you'll be sure to be asking for the recipe.

Also, great choices are the hot Smoked Sausage straight from South Georgia. *It's really special and can't be beat!* A variety of Side Orders include, Killer Baked Beans, Cole Slaw, Potato Salad, Macaroni Salad, Green Beans and the ever popular Parsley Potatoes. The BBQ smoked Chicken, that comes in 1/4 and 1/2 dinners, is very juicy and is one of the favorites among a following of more than three generations of Kojak'sSM followers and children. That's right, Third Generation of BBQ Lovers! Thank you all for over 30 years of business and friendship. We're looking forward to the next 30 years.

We Hope To See Ya'll Real Soon!
